

Proprietary Use Agreement for Public Beamline

1. Application Number or Proposal Number

2. Beamline Number

3. Experiment Title for Public Announcement

4. Project Leader's Name and Affiliation

I hereby agree to pay the fee for proprietary research conducted by the project leader above in accordance with the Terms and Conditions set forth below.

Organization _____

Position _____

Name _____

Signature _____

Date _____

Terms and Conditions

1. Japan Synchrotron Radiation Research Institute (hereinafter referred to as "JASRI") shall charge the organization above (hereinafter referred to as the "Organization") the beamtime fee when the above experiment was conducted by the project leader designated by the Organization. The Organization shall make the payment to JASRI's designated bank account within 60 days of the invoice date. The Organization shall be responsible for any bank charges incurred.
2. The beamtime fee shall be 480,000 yen per shift (8 hours), 60,000 yen per hour, for regular use and 720,000 yen per shift, 90,000 yen per hour, for time-designated use. (The machine time fee of CryoTEM shall be 80,000 yen per shift, 10,000 yen per hour, for regular use and 120,000 yen per shift, 15,000 yen per hour, for time-designated use.)
3. If the Organization wishes to change (reduce) the number of scheduled shifts, the Organization shall so request in writing and obtain approval from JASRI at least one month prior to the start of the scheduled cycle.
4. In the event that the Organization loses part or all of its scheduled shifts due to reasons attributable to the facility, the beamtime fee shall be calculated based on the number of shifts actually used through consultation between JASRI and the Organization. The Organization may not make a claim against JASRI for any damages arising from the loss of shifts or file for compensation of beamtime loss.
5. Any results obtained through the use of SPring-8 shall remain the property of the Organization.
6. JASRI shall have the primary responsibility for maintaining a stringent regime governing the handling of the proposal application submitted by the Organization and confidential information contained in the application, and shall not disclose or otherwise make available such information to any third party, unless otherwise agreed in advance. While the Organization shall be responsible for the management of the samples and reagents brought to SPring-8 for experiments, files containing data, and measurement results, JASRI shall provide reasonable cooperation to the Organization upon request. The term of this Agreement is three years from the date of signing.

Information provided in the solid-line boxes is excluded from the confidentiality requirement.
